

Job Brief

Electrician

Where - Albury Area NSW

Category - Electricians (Trades & Services)

Full time

\$40 – \$50 per hour, 9 day fortnight

About us

We are a top to bottom electrical service provider, delivering solutions from the power pole to the power point. Our capabilities span the entire electrical lifecycle, including design, installation, maintenance, generation systems, and renewable energy projects.

As part of our service delivery team in Albury, NSW, the successful candidate will play an important role in supporting the delivery of high quality electrical and engineering services to our clients.

We are seeking a motivated professional who is committed to excellence in their trade and continuous improvement, with a genuine desire to be part of a team striving to be the best in the industry.

By building and maintaining strong relationships with our customers, we remain focused on delivering practical solutions, honouring our commitments, and consistently doing the right thing for the customer.

We

- Work a 9 day fortnight.
- Are energetic and flexible.
- Have a strong presence in South East Australia and conduct functions from a head office & workshop in Albury (NSW).
- Maintain excellent relationships with clients.
- Support a team of experts, the best in the business.

You

- Victorian/NSW electrical licence.
- EWP licence desirable.
- First aid certification desirable.
- Strong knowledge of AS3000 & AS3008.
- CEC accredited installer desirable.
- CEC accredited designer desirable.
- Working in a business through rapid growth.
- Leading hand capability.
- Project management background would be useful.

Typical works to complete

- Industrial.
- Commercial.
- Domestic.
- Renewables.
